

Exhibition Firefighter War Stories

Published: 30.01.2025.

The exhibition tells about the involvement of firefighters in the Russo-Japanese War (1904-1905), the First World War (1914-1918), the Latvian War of Independence (1918-1920) and the Second World War (1939-1945).

Despite the devastation caused by war and the existence of hostile and criminal regimes, firefighters tirelessly carried out their main task - helping their fellow human beings in distress and danger.

The exhibition is on display from January 21, 2025 - December 31, 2025
