

## Exhibition "Dynasties- foundation of fire-fighting"

Publicēts: 24.05.2021.

In Latvian Fire-fighting Museum opened exhibition about fire-fighters' dynasties.

The basic value of fire-service is fire-fighter who with the help of technics and equipment helps people in trouble. We honour dynasties of fire-fighters who in several generations have chosen this work to improve professional skills, save historic traditions in order to fulfil their human task.
